## Famous Quotes by Mahatma Gandhi

“The weak can never forgive. Forgiveness is the attribute of the strong”

“We must be the change we wish to see”

“The moment there is suspicion about a person's motives, everything he does becomes tainted.”

“Live as if you were to die tomorrow. Learn as if you were to live forever.”

“Fear is not a disease of the body; fear kills the soul.”

“There are times when you have to obey a call which is the highest of all, i.e., the voice of conscience even though such obedience may cost many a bitter tear, and even more, separation from friends, from family, from the state to which you may belong, from all that you have held as dear as life itself. For this obedience is the law of our being”

“An eye for eye only ends up making the whole world blind.”

“There are times when you have to obey a call which is the highest of all, i.e., the voice of conscience even though such obedience may cost many a bitter tear, and even more, separation from friends, from family, from the state to which you may belong, from all that you have held as dear as life itself. For this obedience is the law of our being.”

“The test of friendship is assistance in adversity, and that too, unconditional assistance. Co-operation which needs consideration is a commercial contract and not friendship. Conditional co-operation is like adulterated cement which does not bind.”

“Non-cooperation is an attempt to awaken the masses, to a sense of their dignity and power. This can only be done by enabling them to realize that they need not fear brute force, if they would but know the soul within.”

“Strength does not come from physical capacity. It comes from an indomitable will.”

“Whenever you are confronted with an opponent, conquer him with love.”

“Democracy is an impossible thing until the power is shared by all, but let not democracy degenerate into mobocracy.”

“Nonviolence is the greatest force at the disposal of mankind. It is mightier than the mightiest weapon of destruction devised by the ingenuity of man.”

“Whenever you are confronted with an opponent. Conquer him with love.”

“Nonviolence is a weapon of the strong”

“Whenever you are confronted with an opponent. Conquer him with love.”

“The best way to find yourself is to lose yourself in the service of others.”

“Earth provides enough to satisfy every man's need, but not every man's greed”

“The Roots of Violence: Wealth without work, Pleasure without conscience, Knowledge without character, Commerce without morality, Science without humanity, Worship without sacrifice, Politics without principles”

“Truth, purity, self-control, firmness, fearlessness, humility, unity, peace, and renunciation—These are the inherent qualities of a civil resister.”
