

SHIVA SAHASRANAMA

There are two versions of Shiva sahasranama-one in Iinga Purana (Being taught by Lord Krishna to sage Markandeya) and the other which occurs in Anushasanika Parva of Mahabaratha.

In the Mahabaratha version (which I am giving here) Yudishtra after hearing the Vishnu Sahasranama from Bheeshma requests him also to teach the thousand names of Lord Shiva. Bheeshma expresses his inability to the same and requests Lord Krishna to teach it to Yudishtra. Then Lord Krishna who has learnt it from Sage Upamanyu teaches it to Yudishtra. A bhashya (explanation) for this was written by Sri Chathurthara Neela Kanda called "Bharatha bhava pradheepam". Based on this Sri.N.Subramanya Iyer (lovingly called "Anna (elder brother) by his admirers wrote a detailed interpretation in Tamil which was published initially by the Sarada Peetham, Sringeri. Later they gave the publishing rights to Ramakrishna Mutt of Madras. My feeble attempt, to give an English meaning to this Shiva Sahasranama is based on this great book. I have not attempted to give meaning with interpretation as done in the above book.

This book gives 1008 names of Lord Shiva. While 45 names are repeated twice, 11 are repeated thrice and three names are repeated four times. Readers may observe that different meanings are given to these repetitions.

Mangala Charanam

Shuklam Baradaram Vishnum, Sasi Varnam Chatur Bhujam,
Prasanna Vadanam Dyayet, Sarva Vignoba Santhaye

1

Dressed in white you are,
Oh, all pervading one,
And glowing with the colour of moon,
With four arms, you are, the all knowing one
I meditate on your ever-smiling face,
And pray, "Remove all obstacles on my way".

Namosthute vyasa vishala budhe,
Phullaravindaayatha pathra nethra,
Yena thwaya bhaaratha thaila poorna,
Prajwalitho gnanamaya pradheepa. 2

My salutations to sage Vyasa,
Who had all compassing intellect,
And who has broad eyes like the lotus leaf.
Was not this great lamp full of wisdom,
Filled up by the oil of Bharatha, lit by you?

Vande Shambum umapathim sura gurum vande jagatkaranam,
Vande pannaga bhooshanam mrugadharam, vande pasoonaam pathim,
Vande surya sasanka vahni nayanam, vande mukunda priyam,
Vande bhaktha janarayam cha varadam, Vande shivam sankaram. 3

I salute the great God Shambhu,
Who is the consort of Uma,
Who is the teacher of devas,
I salute the cause of this universe,
I salute who wears snake as ornament,
Who carries a deer in his hand,
I salute the Lord of all beings,
I salute him who has sun, moon and fire as eyes,
I salute him who is dear to Mukunda,
I salute him who is the refuge of his devotees,
Who is the one who gives them great status,
And I salute Shiva and Shankara.

Poorva Bhaga
Early part

Yudhishtira Uvacha:-

Thwayaapagheya naamani sruthaniha jagatpathe,
Pithamahesaaya vibhor namanyaa chakshwa sambhave. 1
Bhabhrave viswaroopaya, mahabhagyam cha thathwatha,
Surasura gurou deve shankaravyaktha yonaye. 2

Yudhishtira asked:-

Oh my dearest grandpa,
Be pleased to tell me the various names,
Of him who is the lord of the universe,
Who is Shambhu with a gold coloured body,
Whose form is of the universe,
Who is the teacher of Asuras and devas,
Who is the god of all devas,
Who does all good,
And who is the cause of the eternal basis,
And also his fame,
As you have heard from others.

Bheeshma Uvacha:-

Asakthoham gunaan vakthum maha devasya dheematha,
Yo hi sarva gatho na cha sarvathra drusyathe. 3

Bheeshma replied:-

Incapable I am to tell about the properties,
Of the great God who is very great,

For he is seen everywhere but seen nowhere.

Brahma Vishnu suresaanaam srushtaa cha prabhureva cha,
Brahmaadaya pisachantha yam hi deva upasathe. 4

He is the one who created Brahma, Vishnu and other devas,
He is their Lord and he is worshipped by,
Brahma , devas, ghosts and others.

Prakruthenaam parathwena purushasya cha ya para,
Chinthathe yo yogavidhbhi rishibhi Thathwa darshibhi.,
Aksharam para Brahma asacha sadasacha ya. 5

He is greater than nature and the masculine concept,
He is being meditated upon by great sages who know the truth,
He is the causal universe, cause as well as the effect.

Prakruthim purusham chaiva kshobhayithwa tswathejasa,
Brahmana masrujath thasmad Dheva dheva prajapathi. 6

He who is the God of gods and God of all beings,
Through his power destabilizes Purusha and nature ,
And creates Brahma out of it.

Ko hi shaktho gunaan vakthum deva devasya dheematha,
Garbha janma jara yuktho marthyo mruthyu samanvitha. 7

Which man who is subject of birth, growing up and death,
Would be capable of telling the properties,
Of him who is the God of gods and knower of all?

Ko hi saktio bhavam gnathum madhvidha parameshwaram,
Rithe narayanath puthra Shanka chakra Gada dharath. 8

Oh Son, Is it possible for an ordinary mortal to know .
That great god like him , rather it is possible,
For the Lord Narayana who carries mace , conch and wheel,
To know about Sankara who is the greatest God.

Esha vidhwan guna sreshto Vishnu parama durjaya,
Divya chakshur maha theja veekshyathe yoga chakshsha. 9

That Vishnu who knows ever thing,
Who has greatest qualities,
Who cannot be won over by anybody,
Who has special holy sight,
And who is greatly resplendent,
Sees him by his eyes of yoga.

Rudra bhakthya thu krishnena jagat vyaptham mahathmana,

Tham prasadhya thadha devam bhadaryam kila bharatha. 10

Arthath priya harathwam cha sarva lokeshu vai yadhaa,
Prapthavaaneva rajendra suvarnaakshan maheswaraath. 11

The great Lord Krishna, due to his devotion to Rudra,
Has spread all over the universe, Oh Bharatha, Oh king of kings,
After making Lord Shiva pleased by his penance in Bhadrinath,
He has attained the state of being more dear,
Than all the worlds and all aspects of knowledge.

Poornam varsha sahasram thu thaptha vaanesha maadhava,
Prasadhya varadam devam chara chara gurum shivam. 12

This Lord Madhava has done penance for a full thousand years,
And has pleased him who is the teacher of all beings,
And the giver of all boons.

Yuge yuge thu krushnena thoshitho vai maheswara,
Bhakthya paramaya chaiva prathi sruthwa mahatmana. 13

Lord Parameshwara becomes pleased and happy
Eons after eons, by this Krishna who is devotee of Lord Shiva.

Iswarya yadrusam thasya jagadyoner mahatmana,
Thadayam drushtavaan sakshath puthrartho Harir achyutha. 14

This Krishna who is Hari, who did penance for getting a son*,
Has seen the greatness of Maheswara who is the origin of the world.

*(Lord Krishna did penance to get a son out of Jhambhavati, the daughter of Jhambhavan)

Yasyath paratharam chaiva naanyam pasyami bharatha,
Vykyathum deva devasya shaktho naamanyaseshatha. 15

Hey Bharatha, I do not find any one else suitable,
To tell you about the various names of the god of gods.

Esha shaktho maha bahur vakthum bhagawatho gunaan,
Vibhuthim chaiva karthsynyena sathyaam Maheeswari nrupa. 16

Oh king , that great armed one ,
Is the one capable of telling the properties of God,
And capable of fully telling you truthfully ,
The powers of The great God.

Sura sura guro deva vishno thwam vakthumarhasi,
Shivaaya shiva roopaya yanma aprucha yudishtra. 17

Hey Teacher of Devas and asuras, Hey Vishnu,
It is but very proper, that you tell,
About the great god, which Yudishtra asked.

Naamnam sahasram devasya thandināa Brhama vadinaa,
Niveditham brhma loke brahmano yath puraa Abhvath. 18

Dwaipayana prabhu thasyasthadha cheme thpodhana,
Rishaya suvrutha danthaa srunvanthu gadahsthava. 19

Those thousand names of God told by sage Dandi,
Who was the knower of Brahman,
Which was told in the land of Brahmas,
With lord Brahma as a witness,
May please be heard by these sages,
Like Dvaipayana who have done great penance,
And have won control over their sense organs.

Vasudeva Uvacha:-
Na gathi karmaanam saakya vethumeesasya thathwatha.,
Hiranyagarbha pramukha deva sendraa maharshaya. 20

Vasudeva told:-
Neither gods like Brahma and Indra,
Nor the several great sages,
Are capable of understanding,
The philosophy behind the great lord.

Na vidhuryasya nidhana maadhim vaa sookshma darshana,
Sa kadham nama mathrena sakhyo gnathum sathaam gathi. 21

How can one understand Him,
Just by the mention of his name,
Who is capable of seeing minutest things,
Who does not have an end nor beginning,
And who is the refuge of saints.

Thasyaha masuragnasya kamschid bhagawatho gunaan,
Bhavathaam Keerthyishyaami vrathesaya yathathadam. 22

I would tell you, few properties of that great God,
Who is the God of all penances and,
Who is the destroyer of asuras.

Vaisampayana Uvacha:-
Evamukthwa thu bhagwan gunaamsthasya mahaathmana,
Upasprusya suchir bhoothwa, kadhyamaasa dheematha. 23

Vaisampayana told:-
After telling like this Lord Krishna,

Sat down did the act of cleaning himself,
And started telling about that great Lord,
Who was the Lord of all good natured.

Vasudeva Uvacha:-

Thatha sa prayatho boothwa mama thaha Yudishtra,
Pranjali praha viprarishinaam samgrahamaditha.

24

Vasudeva told:-

Oh my cousin Yudishtra who is dear to me,
The sage Abhimanyu with folded hands,
After concentrating his mind in to one,
Told me about the several names of Shiva.

Upamanyu Uvacha:-

Brahma prokthou rishi prokthou veda vedanga sambhavai,
Sarva lokeshu –vikhyatham sthuthyam sthoshyami namabhi.

25

Sage Upamanyu told:-

I pray him , using those names,
Which have been read by Brahma and other sages,
Which have arisen from Vedas and Vedangas,
And which are famous throughout the world.

Mahadhbhir vihithaisathyai Sidhai sarvartha sadhakhai,
Rishinaa thandinaa bhakthya kruthai –veda kruthathmana.

26

These names have been praised by the great,
They are true and give occult powers,
They help you to get any job done,
And have been told by Sage Dandi,
Whose heart is immersed in Vedas.

Yadhokthai Sadhubhi khyathai munibhisthathwa darshibhi,
Pravaram pradhamam swarga sarva bhootha hitham shubham.

27

I pray ,who does good to all beings,
Who is worshipped by good me,
Who is worshipped by sages and philosophers,
Who is the first among all,
And who can grant us heaven,
Using those famous , well known names.

Sruthai sarvathra jagathi Brhma loka avatharithai,
Sathyai sthath pramam , brhma brhma proktham sanathanam,
Vakshye yadu kula sreshta srnunshvava hitho mama.

28

Oh Chief of the clan of Yadus,
Please here from me with concentration those names

Which came from the world of Brahma,
Which are found based in the Vedas,
Which are every where,
And which are truth
And I salute that great God who is Brahmam,
And is worshipped by Lord Brahma.

Varayainam bhavam devam bhakthasthvam parameshvaram,
Thena they sraviyishyami yahad brahma sanathanam. 29

Oh Krishna , who is his devotee,
Please worship that Parameshwara,
Who is the source of the world,
And Who is the god of gods,
And for that purpose,
I am making you hear the following.

Na sakyam vistharath kruthsnam vakthum sarvasya kenachith,
Yukthenaapi vibhoothinaa Mapi varsha sathair api. 30

Even though one has all abilities and fame,
It is just impossible for them to narrate fully,
All the greatness of Shiva even in hundred years.

Yasyadhir Madhya mantham cha surair api na gamyahe,
Kasthasya shakthuyadwaktham gunaan karsnyena madhava. 31

Hey Madhava,, Who will have the ability ,
To describe in full, the qualities of him,
Whose head or foot was not found by the devas?

Kinthu devasya mahatha samkshipthartha padaksharam,
Shakthi thascharitham vakshye prasadathasya dheematha. 32

In spite of that I would tell you in short,
According to my limited capacity,
Using limited words and letters,
The story of him, who is the source of wisdom,
Because of his grace and blessing.

Aaprapya thu thatho anugnaam na sakya sthothumeeswara,
Yada thennabhyanugnath sthutho vai sa thada maya. 33

Since it is not feasible to pray him ,
Without his permission and grace,
I was able to sing his prayers,
When I was blessed by him.

Anaadi nidanasyaaham jagadyoner mahatmana,

- Naamnaam kanchith samudhesyam vakshamya vaktha yonina. 34
- I will tell you a few names approximately ,
Of that great one who is the origin of the world,
And who cannot find origin for himself.
- Varadasya varenayasya viswaroopasya dheematha,
Srunu naamnam chayam Krishna yaduktham padma yonina. 35
- Please hear the collection of names ,
As revealed by Lord Brahma,
Who is the greatest among those who give boons,
Who is the form of the universe,
And who is personification of wisdom.
- Dasa nama sahasraani yaanyaaha prapithamaha,
Thaani nirmadhya manasa dhadhno druthamivodhbudham. 36
- These thousand names are the result of churning,
Similar to getting butter from curd,
Out of the ten thousand names told by Brahma.
- Gire saaram yadha hema pushpasaaram yadha madhu,
Gruthasaaram yadha mandastha Dhaitath sara samudrutham. 37
- This essence has been taken after serious thought,
Like the gold is taken out of mines,
Honey is taken out of flowers,
And ghee is taken out of butter.
- Sarva paapahamidham chathur veda samanvitham,
Prayathnenadhi ganthavyam dharyanj cha prayathathmana. 38
- This removes all committed sins,
Is one with the four great Vedas,
Could be understood by great effort,
And could be committed to memory through effort.
- Sarva bhoothathma bhoothasya harasyamitha thejasa,
Ashtothara sahasram thu naamnam sarvasya may srunu,
Yacchuthwa manuja vyagra sarvaan kaamaanvapsyathi. 39
- Hey tiger among men, be pleased to hear from me,
Those one thousand eight names of Him,
Who is the soul of all souls,
Who has greatly remarkable prowess,
And who is called “hara(stealer)” and Sarva(all)”,
Because he attracts every thing to himself,
And attain fruition of all your desires.

Uthara Bhaga
After portion

Yadha pradhanam Bhagawan ithi bhakthya sthutho maya,
Yanna Brahmadayo deva vidhusthathwena narshaya 1

I have praised with utmost devotion,
That God who is not known ,
Even to Gods like Brahma and sages.

Sthothavya marchyam vandhyam cha ka sthoshyanthi jagath pathim,
Bhakthim thwevam puraskruthya maya yagna pathir vibhu,
Thatho apya augnaam samprapya sthutho mathi matham vara. 2

Who is capable of Worshipping Him,
Who is fit to be praised, worshipped and saluted?
I who has been blessed by him due to my devotion,
Can worship him who is the lord of Yagnas,
And the foremost among those who are intelligent.

Shivamebhi sthuvan devam naamabhi pushti vardhanai,
Nithya yuktha suchir bhaktha prapnothyathmanamathmana. 3

He who worships the lord with devotion,
Using these names of Shiva the Lord ,
With concentrated mind and devotion,
Would automatically attain salvation.

Rushayasch sthuvanthyethena thath param,
Sthooyamano Maha deva , sthusyathe niyamathmabhi. 4

The sages and Devas worship Him using these names,
And the great Lord would become happy,
If praised by these names with discipline.

Bhakthanukampi Bhagawan aathmasamsthakaro vibhu,
Thadaiva cha manushyeshu yea manushya pradanatha. 5

Aasthikya sraddha daanascha bahubhir janmabhi sthavai,
Bhakthya hyananya meesaanaam param devam sanathanam. 6

Karmana manasa vaacha bhavena mitha thejasa,
Sayanaa jagramanascha vrajannu visamsthadha. 7

Unmishna nimishan chaiva chinthayantha puna puna,
Sruvantha sravayanthascha kadayanthascha they bhavam. 8

Sthuvantha sthyumanascha thushyanthi cha ramanthi cha,
Janma koti sahasreshu nana samsara yonishu, 9

Janthor vigatha paapasya bhava bhakthi prajayathe,
Uthpanna cha bhava bhakthi rananya sarva havatha. 10

Bhavina karena chasya sarva yukthascha sarvadha,
Eetha dhyeveshu dushpraapam manushyeshu labhyathe. 11

The god who is merciful on his devotees would establish them,
And because of this, those best of men, those who believe in him,
Those who concentrate on Him and nobody else,
And those who worship him in several births,
Who worship that God whose fame cannot be measured,
And who is the greatest God known,
By prayers , duties, mind and words ,
While in dream and while they are awake,
While they go out and while they enter in,
While they open their eyes and while they close it,
Think of him, hear of him and make others hear of Him,
And praise him and be praised because of that,
Would attain happiness and satisfaction in life.
Those of whom who were born thousands of times,
In different differing wombs and burn their sins in life,
Would develop this type of devotion to Him,

Which consists of depending only on him,
Is not found among devas but only in some rare men.

Nirvigna Nischala Rudre bhakthi ravyabhicharini,
Thasyaivacha prasadena bhakthi ruth padyathe nrunaam,
Yena yanthi paraam sidhim thath bhagawatha chethasa. 12

This devotion to Rudra which is unstoppable,
Which is without any doubts comes in them,
Only by the grace of Rudra and because of that,
They who are prince among devotees attain him without doubt.

Yea sarva bhavanugatha prapadhyanthe maheswaram,
Prapanna vathsalo deva samasarathan samudhareth. 13

Those who by all means follow and worship that Maheswara,
Would be saved from the whirlpool of birth by him.

Evamanye vikurvanthi deva samsara mochanam,
Manushyanamruthe devam nana shakthisthapobalam. 14

By this same path the devas also get rid of repeated births,
And for men there is no need of strength and penance,
Except this worship of the greatest of Gods.

Ithi thenedra kalpena bhagan sadasath pathi,
Kruthivasa sthutha Krishna Thandina Shubha budhina. 15

Oh Lord Krishna, The sage Dandi,
Who was as great as Indra,
And who was of great intelligence,
Praised by these words that God,
Who covers himself with elephant hide,
And who is the Lord of cause and effect.

Sthvametham Bhgwatho Brahma swaya maadharyath,
Geeyathe cha sa bhidhyetha Brahma Sankara sannidhou. 16

Lord Brahma who heard this memorized this prayer,
And when in front of Lord Shankara,
The great Lord Brhama sings these with feeling.

Idham punyam pavithram cha sarvadha papa nasanam,
Yogadham Mokshadham chaiva Swaghadam Thoshadham Thadha. 17

This prayer always gives rise to holy acts,
Makes one clean, drives away sins,
Grants yoga and thus salvation,
And also takes one to heaven.

Evamethad patanthe ya ekabhakthya thu sankaram,
Yaa gathio sankhya yogaanaam brajanyethaa gathim thada. 18

He who recites with devotion and concentration,
Would eventually attain that status,
Which is attained by adepts of Sankhya yoga.

Sthavamedham prayathnena sada Rudrasya sannidhou ,
Abdamekam chared bhaktha Prapunuyath deepsidham Bhalam. 19

He who with great effort recites this always,
For a year in front of Lord Rudra,
Would attain whatever he wants.

Ethad rahasyam paramam Brahmano hrudhi samsthidham,
Brahma provacha sakraya sacra provachamruthyuve. 20

This very secret prayer , which is,
Always kept in the heart of Brahma,
Was taught by him to Indra,
And Indra taught this to Yama.

Mruthyu provacha Rudrebhyo , Rudrebhya thandimagamath,
Mahatha Thapsa prapthastha Thandina Brahma sadmani. 21

Yama told them to the Rudras,
And sage Thandi got it from them,
In the court of Brahma,
As a result of severe penance.

Thandi provacha Shukraya , Gowthamaya cha Bhargava,
Vaivaswathya manave Gowthama praha Maadhava. 22

Oh Madhava, Sage Thandi taught it to Shukra,
Shukra taught it to sage Gowthama,
And Gowthama taught it to Vaiwaswatha Manu.

Narayanaya sadhyaya samadishtauya dheemathe,
Yamaya praha Bhagwan saadhyo Narayono achyutha. 23

He taught it to Sage Sathya Narayana ,
Who was in Samadhi and greatly intelligent.
This sage Sathyanarayana taught it to Yama

(This Yama is not God of death)

NachikethayaBhagawan aha Vaiwaswatho yama,
Markandeyaya Vaarshneya Nachi ketho aabhya bhashatha. 24

Oh Lord Krishna of the clan of Vrushni,

This Yama who was the son of Viwaswan,
Taught it to Sage Nachikethas,
Who taught it to Markandeya.

Markandeyan maya praptho niyamena Janardhana,
Thavapyaha mamaithragna sthavam dadhyam hyavishrutham. 25

Hey Lord Janardhana, I got it from Markandeya,
And Hey killer of your enemies,
I am giving this secret prayer to you.

(Sage Upamanyu was teaching this to Lord Krishna)

Swargya marogya mayushyam dhanyam Vedena sammitham,
Naasya Vignam vikurvanthi dhanava yaksha rakshasa,
Pisacha yathu dhana vaa guhyaka bhujaga api. 26

This prayer which is equivalent to Vedas,
Grants heaven , health, long life and wealth,
And those who recite it cannot be troubled,
By asuras, yakshas, rakshasas, ghosts,
Yadu dhanas, Guhyakas and Nagas.

Ya padeth suchi , Partha brahmachari jithendriya,
Abhagna yogo varsha thu sosramaswa medha phalam labeth. 27

Hey Yudishtra, To the one who recites this,
Clean with continence and with control over senses,
For a year without break,
Would get the effect of performing the horse sacrifice.

Jaigheeshavya Uvacha:-
Mama ashta gunamaiswaryam datham Bhagwatha pura,
Yathenaanyena bhalina Varanasyamm Yudishtra, 28

Varanasyam Yudishtra Om na ithi

Jaigheeshavya told:-
Hey Yudishtra, In olden times God gave me,
Wealth and eight good qualities in Varanasi,
As a result of my worship to him with sincerity and effort.

Om “In Varanasi, Yudishtra,”
(The eight good qualities are mercy, patience, and absence of jealousy, Cleanliness, absence
of tiredness, optimism, liberal nature and detachment)

Garga Uvacha:-
Chathu shashtyanga madadad kala gnanam mamadbutham,
Sarswasthya thate thushto mano yagnena Pandava. 29
Mano Yagnena Pandava om nama ithi (shows that text has not ended)

Sage Garga told:-

Hey son of Pandu, pleased by my mental prayer,
That God gave me mastery in the sixty four arts.

Son of Pandu, my mental prayer Om Nama ithi

Vaisampayana Uvacha:-

Thatha Krishnobraavid vakyam punar mathi mathaam vara,
Yudishtram dharma nidhim puruhoothameeswara.
Upamanyur mayi praha thapanniva diwakara. 30

Vaisampayana told:-

The most intelligent Krishna
Who is the ruler of every one,
Told as follows Yudishtra ,
Who is the storehouse of just actions,
And one equivalent to Indra that,
“Upamanyu shining as Sun God,
Taught all these things to me.”

Asubhai papa karmano yea nara kalushi krutha,
Ishanam na prapadyanthe thamoraja savruthaya,
Easwaram samprapadyanthe dwija bhavitha bhjavana. 31

Those base humans who do sinful actions,
And have been made baser by ill advised actions,
Who have more of thamo and rajo guna,
Do not engage themselves in worship of God,
But those twice born who have good actions ,
And thoughts worship him.

Evameva Mahadeva bhaktha manava yea bhuvi,
Na they samsara vasaga Ithi may nischitha mathi. 32
Ithi may nischitha mathi om nama ithi

I am firmly of the opinion that,
Those devotees of the great God,
Will never again suffer this birth and death.

I am of the firm opinion Om nama Ithi

Ithi Sri Maha Bharathe satha sahasrikayam samhithayam,
Vaiasikthyam Anusasana parvani,
Ashta dasodhyaya
Thus ends the eighteenth chapter of the Anusasanika Parva
Of the great Maha Baratha which has ten million stanzas.

Duswapna Dushakuna Durgathi daurmanasya,

Durbiksha durvyasana dusaha duryasamsi,
Uthpatha thapa Visha beethi masad grahathim,
Vyadhimscha nasayathu they Jagatham adheesa.

Ithi Shiva sahasra namam sampooranam.

Bad dreams, bad omens, bad results, bad mind,
Famine, sad happenings, bad name which cannot be tolerated,
Pain out of dangers, fear towards poison, Bad happenings due to planets,
And diseases may please never enter my life, Oh God of the universe.

Thus ends the thousand names of Shiva.
